	Underlying Population	At Least One Dose	% of Population At Least 1 Dose	Vaccination Completed	% of Population Vax Completed	Residents Boosted	% of Vax Residents Boosted
All Residents	874,787	804,095	92%	737,524	84%	546,007	74%
Residents 5+	835,137	800,497	>90%	737,524	88%	546,007	74%
Residents 12+	791,131	765,380	>90%	704,507	89%	537,624	76%
Residents 65+	135,027	137,395	>90%	130,342	>90%	115,962	89%
Residents 75+	60,907	56,208	>90%	53,366	88%	48,163	90%

5-11 yrs: 81% at least one dose; 75% completed initial series

Booster Recipients by Age

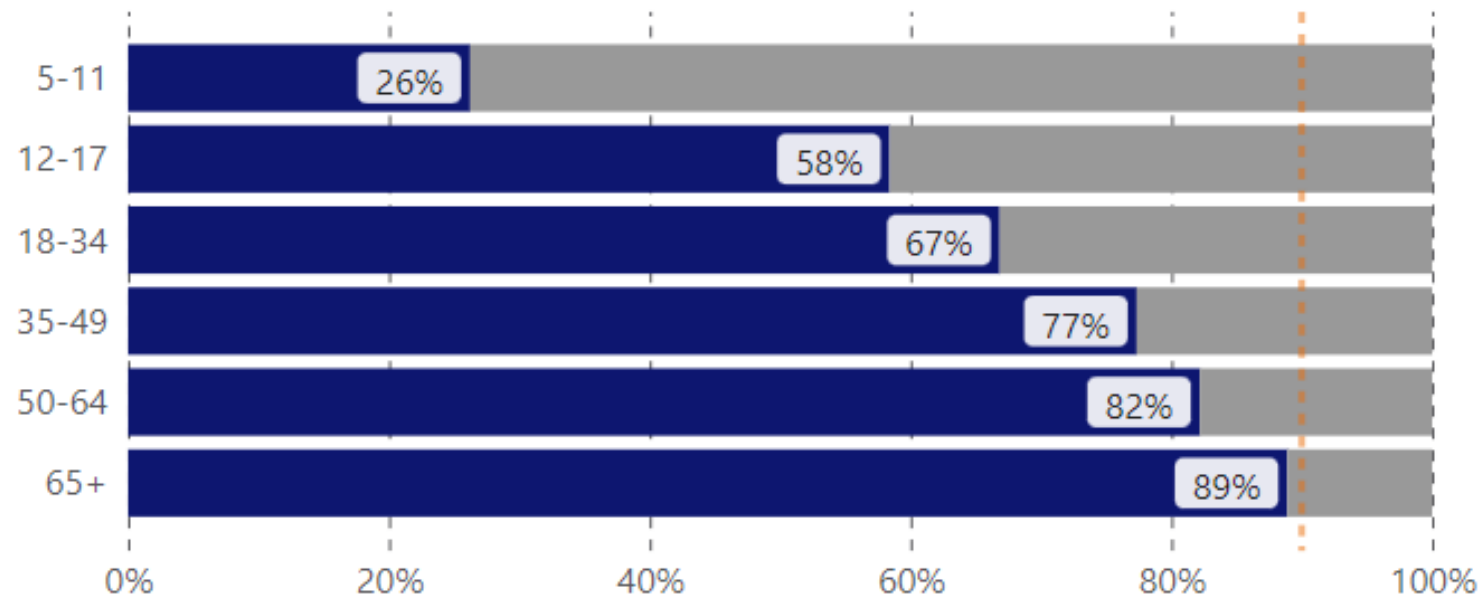

All residents with a vaccine booster

546,661

Vaccinated residents all ages with a booster dose

74%

Estimated percent of vaccinated residents who have received a vaccine booster, by age

Monkeypox Update

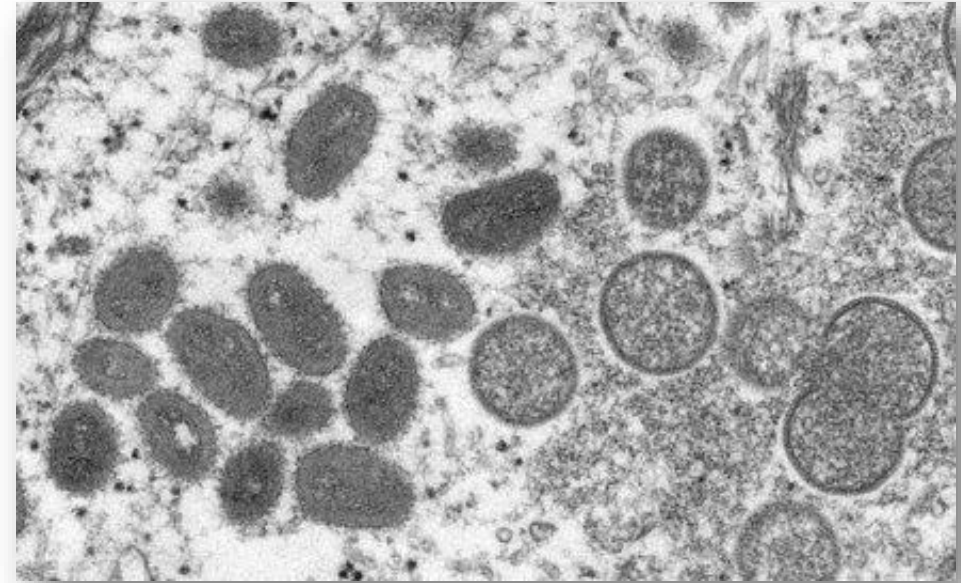

SAN FRANCISCO DEPARTMENT OF PUBLIC HEALTH

Monkeypox Update

Epidemiology

- Total confirmed worldwide: 6924
- Total confirmed US: 460
- Total confirmed CA: 95
- Total confirmed **AND** probable SF: 40
- Globally in non-endemic countries, in US, CA and SF – vast majority of cases in cis men who have sex with men

Vaccination Update

- San Franciscans who are eligible for the vaccine:
 - Referred by a contact investigator as a close contact of someone who has monkeypox
 - Self-report as a close contact of someone who has monkeypox
 - Received a notification of a potential exposure
 - A lab worker who routinely handles monkeypox virus samples
- DPH is using the Jynneos vaccine for post-exposure vaccination.
- *Vaccine is currently in extremely short supply* and is only allocated by the State. Demand WILL exceed supply in the short term.
- DPH is working with all major health systems, community, and private providers to establish a vaccine dissemination system.
- Jynneos is a 2-dose vaccine; however, DPH has been instructed by the State to administer all its vaccine supply as first doses.

Outreach & Communications Snapshot

- **Presentations and Events This Week:**

- Syringe Access Providers
- Black Brothers Esteem
- The Network and Academy
- HIV/HEP-C Providers

- **New Collateral**

- Public Update about vaccine eligibility
- Updates to the website: sf.gov/monkeypox

- **Social Media and Media Coverage**

- Bay Area Reporter
- SF Chronicle
- Monkeypox awareness campaign on social media

- **Events and venues**

- Associated with sexual gatherings (group sex, sex parties) that have been associated with MPX cases in global outbreak – important to connect with event organizers, venues and attendees to increase awareness
